

Dear Dan,

Enclosed are the tips for the bus drivers. We really loved having them and appreciate everything they did for us during the trip! Please pass these along to them as a token of our appreciation.

I'd also like to thank you for everything you have done for us! Thank you for your patience & flexibility as we bumbled & experimented with our first bus booking experience - you were very helpful and I along with the other members of MSU STLF, really appreciate it.

Thanks for everything again!

On behalf of The University of Dayton, I would like to thank you for the wonderful accommodations on our trip to Georgia on November 19th. It is wonderful to know you are totally safe. Thank you to you as well as to our driver Will! Thank you.
